ESSENTIALS

ESSENTIALS is the synthesis of the most important things we can offer to our customers: superior service and greater speed. This enables us to facilitate the work of all those who want to try our products and to continue working, even with small and new businesses. This is what inspired us when we launched our Essentials Collection (Stock Service) which we care for like a flower, always updating it and enhancing the colors and selection of yarns we make available to our customers.

Hand Knitting Care Instructions

We recommend to wash delicate using neutral soap and/or fabric softener at a maximum temperature of 25°C using hand washing method.

Hand wash

Do not bleach

Do not wring

Any solvent except tetrachloroethylene

Iron at low temperature

Do not tumble dry

Knitting Care Instructions

We recommend washing at 35° in gentle cycle during 3 minutes using a softener that does not exceed 4% of the weight of the material considering the finishing expected. Centrifuge for 2 minutes. Dry. Use manual iron.

Any solvent except tetrachloroethylene

Iron at low temperature

Hand wash

Do not bleach

Dry flat
